- IT**
- Programmabili automatici multi-funzione
 - Abbattitore scongelatore
 - Pannello di comando digitale
 - Abbattimento a sonda o tempo
 - Spessore isolamento 60mm
 - Struttura in acciaio inox
- EN**
- Programmable automatic multi-function
 - Blast chiller and defrost
 - Digital control panel
 - Chilling by thermal probe or timing
 - 60mm insulation thickness
 - Stainless steel structure
- FR**
- Multifonction automatique programmable
 - Refroidisseur de dégivrage
 - panneau de commande digital
 - Abaissement de température a Sonde ou du temps
 - Epaisseur d'isolation 60mm
 - Structure en acier inoxydable
- ES**
- Programable multifunción automática
 - Enfriador rapido y descongelador
 - Panel de control digital
 - Enfriador a sonda o tiempo
 - Espesor de aislamiento de 60mm
 - Estructura de acero inoxidable
